Dear <Member Name>,

Beginning Plan Year 2018*, OptumRx® will be the pharmacy care services manager for State of New Jersey. Our goal is to provide safe, easy and cost-effective ways for you to get the medication you need.

There are a few things you can do to prepare for your transition to OptumRx.

Before your plan moves to OptumRx

- In December, you'll receive new member ID cards containing OptumRx information.
- Keep the new cards in a safe place until you can start using them on Plan Year 2018.
- Continue using your current retail or home delivery pharmacy until Plan Year 2018.
- If you're currently using home delivery, make sure you have at least a one-month supply of maintenance medication on hand during the transition.
- Watch your mail for notifications from OptumRx about your prescriptions and any action you may need to take.

After your coverage begins

- Begin using your new ID card. Present it at the pharmacy counter or have it handy to register for home delivery.
- Set up your online account at optumrx.com.
- Enroll in home delivery for medications you take regularly at optumrx.com.
- Get a new prescription for any home delivery medications that cannot be transferred to OptumRx.
- Continue to watch your mail for notifications from OptumRx about your prescriptions and any action you may need to take.
- Call us with questions at the number on your member ID card.

We look forward to serving you.

Sincerely,
OptumRx
