

APRIL 15 "TAX DAY" ACTION

GOVERNOR MURPHY'S BUDGET PLAN:

- ✓ INVEST IN EDUCATION AND TRANSPORTATION
- ✓ A RECORD PENSION PAYMENT
- ✓ TAX MILLIONAIRES

Senate President Steve Sweeney is calling for billions of dollars in health care cuts for public workers and ending the current public worker pension system – all while protecting billions of dollars of tax cuts for the super wealthy and corporations passed in the Christie Administration.

Governor Murphy wants to invest in our communities with initiatives like a Millionaire's Tax.
